Recommendation Letter

Date: January 20, 2010

I am pleased to write a letter of recommendation for Price-Davis, Inc. Price-Davis was one of the bidders for a Walk-In Freezer to be installed at Sumter High School. Our Freezer was installed during the Christmas break. Price-Davis had a 3-day window to have everything completed from start to finish but they completed the job in Two days. Everything was professionally done and we are very pleased with the outcome. Please feel free to contact me with any questions at 803 469-8535 X142.

Sincerely,

Juanita B. Green

Food Service Director
