Mack Buie
Price Davis Distributors
P O Box 190
Hwy 127
Iron Station, NC 28080

Dear Mack:

I really appreciate you stopping by my office when you were in Hartsville the other day. I always enjoy seeing you and I was glad to meet Lynn Hollifield from Henny Penny. As I was telling you when you were here, we are so pleased with our Henny Penny equipment and the service we receive from all of you at Price Davis. We have had excellent success with our hot foods program and in fact, our sales are up between 25%-30%. We are currently using, as you know, the Henny Penny electric pressure fryer, the 5 well heated merchandiser, the HHC heated holding cabinet and a breading machine. Thank you for your continued service and support and please know that when the opportunity comes to recommend Price Davis or Henny Penny that we will certainly do so.

Thank you, again, for your visit and please stop by again when you are in our area.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Lex West'.

Lex West, President
West Oil Co., Inc.
